

Mrs. Caudle

ccaudle@splseagles.org 689-3050

Thank you all for your participation in Operation Christmas Child. The children enjoyed putting Christmas wrapping in their boxes and writing a special letter to their "Christmas Child". It's so fun to send God's love to a child in need. We are so blessed!

Next Wednesday is our Thanksgiving feast with the 2nd and 3rd graders. Please plan on joining us for this fun day. Thank you for all of those who signed up to bring something to share. Please bring it to class by 10am.

It's hard to believe it's almost Christmas. What a fun time of year it is for our children to "Celebrate JESUS". We are now practicing for the Elementary Christmas Program that will be on Thursday, December 10th at 6:30. Please plan on joining us for this fun filled event.

Science Notes from Mrs. Rowley

I'm pleased with how many students have commented that they haven't seen the moon very much lately (that means they're looking!). I am aware that remembering to note the shape of the moon daily is difficult. The goal is for them to see whether the moon is getting bigger or smaller and to note where it is in the sky. To do this, daily is not necessary, but it does help them with their observations.

We will not have a homework packet next week. We will not have a memory verse or spelling words. Please enjoy your holiday!

MARK YOUR CALENDARS

- Nov. 25 – Primary Thanksgiving feast – Report Cards go home/Minimum Day
- Nov. 26th & 27th Thanksgiving Holiday
- Dec. 10th 1st-8th to the Nutcracker
