

FIFTH GRADE

Oct. 23, 2009

Even with Mrs. Kennicutt gone most of last week we were able to keep on going. Mrs. Kennicutt flew to Minnesota on Tuesday after she was notified that her mother had had a major stroke. As of now she is unconscious. All of Mrs. Kennicutt's siblings have been able to get there. Mrs. K plans to be back by Nov. 2nd if possible.

On Friday we had an activity with our 4 yr. old buddies. Fifth graders read and shared stories with their buddies. Then they made a pumpkin from contact paper and tissue paper. The fifth graders gave their buddies real pumpkins and decorated them with different shapes.

If you have not, please sign and send back one copy of the progress reports. Mrs. Kennicutt will be happy to answer any question when she gets back.

Chapter 4 math test Monday

Start new section on #6 Peacemakers, this will come home for your signature on Tuesday. Booklet #5 wasn't collected.

We are working in the reading book

No spelling or bible verse this week.

Please have your students read their AR books at home.

Ask your children about learning the presidents in order.

SAMARITAN'S PURSE TIME

Dear Parents-It is time to think about our Christmas Child Shoebox's. This year if you would like you may make the \$7 donation online, and receive a receipt with a tracking barcode. You can then track where your child's box is going. If you would like to do this with your child, here are the directions:

- Go to www.samaritanspurse.org/ezgive
- Fill out the form
- Pay \$7 online
- Print the receipt with barcode and reference number
- Bring receipt with barcode to school

Once we pack and take the shoeboxes to the collection point you can go online and use the reference number to locate your box.

Next week we will send home labels for those who would rather not donate online and put the donation in the envelope in the box.

CALENDAR:

10/29, & 30TH

SCHOOL CLOSED/daycare open

I have enjoyed my time with your children this week. They are enjoyable! Mrs. Kim McCleary will be their substitute this week. Before becoming the bookkeeper, Mrs. McCleary taught in our middle school and also computers.

Have a great week!

Ann Cunningham
