- ❖ **Email:** I have updated my emails to another system with the school. If you are not receiving emails either at your work or home, please let me know. My email address is still the same.
- ❖ **Christmas is Coming:**

As part of our mission outreach, this year our classes will be adopting families that are in need for the Christmas season. This will be in place of the usual student gift exchange at the party on the last Friday. Instead we will ask our families to donate that money to our classroom adopted families. Each class will have information about the families and their needs. You can either purchase a needed gift, join with another student to purchase something, or donate the money to fill the needed items. Again, the purpose will be to help our students understand the concept of giving and sharing what God has given us.

Please watch the Friday notes for more information and for suggestions on how you can help. Thanks you.
